

Create Your Own Great Outdoors

Binoculars

Materials Needed:

- 2 toilet paper rolls/tubes
- Hole punch
- Colorful or plain tape
- Yarn, string, twine, or ribbon
- Paint, stickers, markers, or other materials for decorating

Directions:

Use tape to tape the two toilet paper rolls/tubes together.

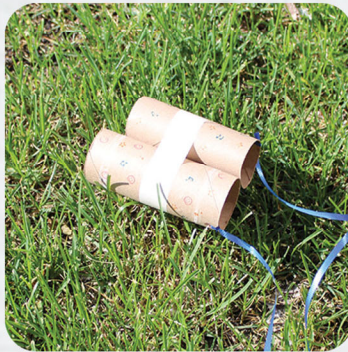

Use the hole punch to put a hole in each side of the binoculars.

Tie the yarn, string, twine, or ribbon through the holes.

Decorate with paint, stickers, markers, or other materials you have available.

Bring your child outside to use their new binoculars to go on a bird watching expedition.

Use the Bird Watching Expedition and the New Horizon Academy Bird Watching Journal to record your observations as you explore the great outdoors.
