## What Makes Us Unique?

### Accreditation:

All eligible schools are accredited by the National Association for the Education of Young Children. This is the gold standard of childcare accreditation, and our schools work hard to achieve it!

### Communication:

We communicate with families throughout the day, providing photos and updates on meals, naps, learning, and play. The app allows you to send messages to your child's teacher as well.

### Curriculum:

Our curriculum is designed around the latest early brain research and includes engaging activities to support learning and social-emotional development.

### Family Owned and Operated:

Our company is family owned and operated, and we have a passion for enriching the lives on young children and expanding childcare access to all families.
