What Makes New Horizon Academy Unique

Accreditation:

All eligible schools are accredited by the National Association for the Education of Young Children. This is the gold standard of childcare accreditation, and our schools work hard to achieve it!

Communication:

We communicate with families throughout the day, providing photos and updates on meals, naps, learning, and play. The app allows you to send messages to your child's teacher as well.

Curriculum:

Our curriculum is designed around the latest early brain research and includes engaging activities to support learning and social-emotional development.

Free Diapers:

Diapers and wipes are provided free of charge in all infant classrooms, with the goal of making your experience as positive as possible by adding conveniences that support your family.
